Listing Questionnaire

Please fill in the details and return to info@abatement-exchange.com, when it will be reviewed before listing.

Contact Details

* Required Field

Company Name *	
Town/City & Country *	
Contact Name *	
Position	
Tel (incl. country code) *	
Email *	

Equipment Details

Abatement Type

Manufacturer *	
Model Reference	
Place 'X' in box *	
Regenerative Thermal Oxidiser (RTO) - 2 tower	
Regenerative Thermal Oxidiser (RTO) - 3 tower	
Regenerative Thermal Oxidiser (RTO) - 2 tower with entrapment chamber	
Recuperative Thermal oxidiser	
Catalytic Oxidiser	
Catalytic Recuperative Oxidiser	
Regenerative Thermal Oxidiser (RTO) - Single Bed	
Regenerative Thermal Oxidiser (RTO) - Rotary	
Solvent Recovery Plant (SRP)	
Bio-Filter	
Concentrator	
Other, enter details...	

Year of Manufacture

Place 'X' in box *	
New - Cancelled order, part built	
New - Manufactured but not installed	
New - Installed but not commissioned	
Installed, commissioned but not operated	
Unknown	
Other	
Or enter year	

Specification

Airflow Capacity *		Nm³/h
Thermal Efficiency		%
Max inlet solvent concentration		g/m³
Destruction Efficiency of VOC's		%
Place 'X' in boxes		
Media type	Structured	
	Random (i.e. saddles, etc)	
	Heat Recuperator	
	Unknown	
	Other, details below...	
Valve type	Butterfly	
	Poppet	
	Unknown	
	Other, details below...	
Energy Source *	Mains gas	
	LPG	
	Oil	
	Electrical Power	
	Other, details below...	

Inclusions

Enter Y / N / Not Applicable in boxes *			
Main fan		High solvent by-pass	
Control panel		Process isolation damper	
Networked controls		Vacuum break damper	
Gas booster		Fresh air inlet damper	
Modem		Compressed air receiver	
Stack		Height of stack (m)	

Other relevant technical information, eg heat recovery, control panel weatherproof enclosure, service history, recent repairs, upgrades, emissions monitoring results, etc.

Commercial Details

Current Plant Location

Town/City	
Country *	

Current Operating Situation

Place 'X' in box *	
Installed and operating	
Not operating but could be started up for viewing	
Installed but decommissioned	
Dismantled and in storage	
Due to be decommissioned	
Other - enter details...	

Availability of Plant

Immediate / Anticipated Date / Undecided / By Arrangement / etc (please enter as applicable) *

Ownership Status

Place 'X' in box *	
Owned by the Operator	
Third Party Business	
Finance Company	
Equipment Manufacturer	
Equipment Trader	
Other - please specify...	

Other relevant commercial information, e.g. payment terms, warranty, etc.
